

# West Coast Ocean Data Portal: IT Working Group

March 2016

Discover • Connect • Inform

# Participants

- ▶ Todd H, Andy L, Kate S, Steven S, Tanya H, Allison B, Dawn W, Mimi D

# Agenda

- ▶ WCODP Updates
- ▶ RPB Status and Recommendations
- ▶ IT Working Group Tasks

# WCODP Update

- ▶ Coordinator stepping down 😞
- ▶ Sound GIS (Allison Bailey) taking over technical activities 😊
- ▶ ACT Co-chairs and Working Group leads coordinating
- ▶ Re-engaging working groups in feedback role

# RPB Status

- ▶ Charter development
- ▶ Sub-regional outreach
- ▶ Moore Foundation \$\$
  - ▶ RPB Coordination
  - ▶ Outreach plan & regional ocean assessment
  - ▶ In-person meeting
  - ▶ Data Development
- ▶ WCOP/RPB alignment

# RPB Recommendations

- ▶ Developed recommendations as part of the Moore grant and informed by sub-regional meetings
- ▶ WCODP role, regional stories, priority data, priority catalogs
- ▶ Feedback from state, tribes, and federal agencies
- ▶ Opportunity for RPB to let us know where we can add value and what is not needed

# RPB Recommendations

- ▶ Feedback
  - ▶ Clarified sub-regional needs, including info from the NCA sub-regional meeting
  - ▶ Identified sources/upcoming projects for many of the “data gaps”
  - ▶ Included additional catalogs in priority list
  - ▶ Expanded regional role to include development and communication of “Regional stories”

# RPB Recommendations

- ▶ Regional Stories – web-based maps that link data, existing work, policies, and opportunities for stakeholder engagement
  - ▶ Existing Marine Planning Efforts
  - ▶ Changing Ocean Uses
  - ▶ Changing Ocean Conditions
- ▶ Work with RPB and WCOP to develop content and messaging for “regional stories”

# RPB Recommendations

Data Catalog
Washington Geospatial Clearinghouse
NOAA Fisheries Data warehouse
NCCOS Data Portal
DataBasin
CetSound
PISCO
CalOST Data Catalog
IOOS Catalog
USGS Science Data Catalog
ArcGIS Online
NOAA Digital Coast
NPDES Database
NOAA CORIS Database
OR, WA Shorezone
FEMA Mapping Information Platform
California Coastal Atlas
Sea Atlas California Aquatic Resource Inventory

# ITWG Tasks

1. Finalize catalog list (ITWG)
  2. Invite catalog managers to participate in IT calls (ITWG)
  3. Research catalog technology (AB, ITWG)
  4. Scope and document connections (AB)
  5. Review Scoping document (ITWG)
  6. Create connection pathways, where applicable (AB, ITWG)
- 
1. WCODP Admin (ITWG)
  2. Troubleshoot WCODP issues/github (ITWG)

# Many thanks!
