

# WEST COAST OCEAN DATA PORTAL

Portal Coordination Call  
July 5, 2017

# Participants

- ▶ Present: Andy L, Steve S., Tanya H., Jennifer S., Kate S., Melissa R., Sara G., Allison B.
- ▶ Future invites: Bridgette Lohrman with EPA.

# Agenda

- RPB update.
- Portal Development Team (update from June call).
  - Marine Planner review
  - CA offshore wind planning
    - Data Basin technical connection – BOEM intro?
- Bren student project update.
- Open discussion about portal work program and tasks.

# RPB Updates

- Outreach Webinars
  - April 28<sup>th</sup>, June 2<sup>nd</sup> - Available for viewing online at [westcoastmarineplanning.org](http://westcoastmarineplanning.org)
  - Focus on RPB charter, sub-regional planning teams (SRPT) WA SRPT, San Diego Port MSP process, CA Ocean energy siting process, Federal update, WCODP update
- Work Program
  - Regional – new grant in place, general development of work plan, implementing communication plan
  - WA SRPT – Mock proposals for subsea cables application(s) – 3 hypothetical cable proposals including commercial (power), research, and fiber-optic communications. Continuing to move forward. Second version of sub-regional charter is out for review.
  - Ocean Health Assessment Working Group – Portal representation on the working group.
  - Tribal proposal for a sub-region in N Cal – Oregon... potentially – Discussion in August TBD...
  - Tribal coordination interest area map – Meagan is hoping to host a meeting in August, to evaluate options in the future.
- In-person RPB Meeting (December 4-6?)... location TBD (SD, or Bay area)
  - Working group has been generating a meeting survey for discussion topics, which will be reviewed by the executive secretariat, then will be sent out to the public listserv.
  - Additional opportunities for co-located meetings

# What we'll cover this time:

July 5, 2017

- Challenges and needs for Portal engagement and direction
- Work Program – preliminary focus areas
  - Catalog
  - Visualization Tools

# Work Program Area 1: Data Catalog Tasks

- Track needs and priorities at regional and sub-regional scales
  - Provide catalog curation that will assist RPB, SRPT's in their proposed activities (improved geospatial filtering, new curation facets)
  - Add new records (metadata and map services) to WCODP with associated catalog curation – focused on the needs of the SRPT's.
  - Ocean Health Assessment effort?
- Identify new high priority data collections for incorporation into the WCODP catalog and visualization tools.
  - Data Basin (CA)
  - Others ?

# Work Program Area 2: New Content Area/ Web Visualization Tool

Generate a new content area and or web visualization tool to support identified region-wide and or sub-regional ocean planning issues or focus areas.

# Action Items:

- Andy – Email Bridgette Lohrman
- Steve and Andy develop scope of work for Sound GIS.
- Post notes presentations for Portal Coordination Calls
- Working group to plan for WCODP Network Meeting – Connection between the ocean health assessment WCODP, tribal coordination map effort, Ocean acidification products review, CA Offshore Data Basin,
  - Subcommittee Members
    - Kate S, Allison B., Steve, Myself.
    - Wait until John hosts next RPB planning meeting, and schedule it shortly thereafter.
