# Work Program Overview

- WCOA – Regional Portal needs/tasks
  - Re-organize front end of the WCODP for supporting the work of the WCOA
    - Regional search facets, thematically grouped data resources, regional information data products
  - Sub-regional Tasks:
    - Review Data records in the catalog, with a focus on updating and connecting to new resources.
    - WA: Connections to WA agency source providers made, and records from their databases harvested by the WCODP
    - Connect to Data Basin for California Wind: <https://caoffshorewind.databasin.org/>
    - OR/N. CA – Spatial Coordination Framework – BOEM is ready and waiting to help with structure and function of the framework.

# Portal Work

- RFP Development team: Tanya (Tech), Allison, Andy, John H., Steve W.
  - Looking at 2-3 months out.
- Portal Front End Reorganization:
  - Jenn P., Tanya, Allison, Kate S., - Needs outreach and communications experience to add to the group.

# WCOA/WCODP – Coordinator RFP

- Scope of Work for the new Coordinator (draft)
  - Plan, Organize , and facilitate online and in-person meetings to support the work of the WCOA & WCODP.
    - Tasks include generating meeting agendas, meeting summaries, outreach materials (online and hard copy materials), leading work groups on specific topics, conducting product reviews (or facilitating them), communications to broader audiences (WCODN, etc.).
  - Have some familiarity with marine spatial planning/ocean planning issues, and marine ecology generally.
  - Note: add geospatial familiarity (potentially).
